Dear Gen Horton: ~~Barry~~

On behalf of the Defense Intelligence College, School of Professional Studies, I am pleased to confirm arrangements for your address to be delivered to our students in the National Senior Intelligence Program. Your discussion on the "Role of the National Intelligence Council," is scheduled on 13 November 1986, between 0800 and 1000 hours.

A National Senior Intelligence Program Directive outlining the purpose and scope of the material to be discussed is enclosed.

The class will be composed of approximately 33 military officers and civilians from the four services and various Department of Defense Intelligence Agencies. Military students range from grades 05-06 and civilian students from GS-14 or above. All are cleared for access to TS/SI/TK information.

Please contact your security office to pass your security clearances, as appropriate, to the Defense Intelligence College (DIC). Questions concerning passing instructions may be referred to DIC Security, telephone 373-3284 or 3368. It is recommended that you contact DIC Security prior to arrival to determine if your clearances have been received at the college.

Please send to me a brief biographical sketch for use in preparing an introduction to your presentation.

The Defense Intelligence College is most grateful for your interest in our curriculum. We appreciate your support and are looking forward to your visit.

Should you have any further questions or require any additional assistance, I can be reached at 373-3786.
